

Designated Health Protection Measures for the Facilities of ATOPOS cvc:

According to Greek Government regulations (**Government Gazette B ' 5816/11-12-2021**), for your entrance and staying to the building you will need to present **one of the following documents** and a **photo ID** (identification card or passport):

- Vaccination certificate valid at least 14 days or Medical certificate of a COVID19 infection valid up to 3 months.
- For adults who are over 60 years old and a period of at least seven (7) months has elapsed from the administration of the second dose or, in the case of single-dose vaccines, from the administration of the single dose, fully vaccinated are considered those who have received the booster dose.
- Children from 4 to 17 years old must provide a parental/legal guardian declaration that the child has undertaken a self-test taken no longer than 24 hours. [Self-test declaration](#).

Please also make sure to keep in mind the following:

- The use of protective masks is mandatory in all shared rooms (indoor/outdoor).
- The required social distance must be maintained at all times.
